The Dinah K. Somerville Scholarship Fund began in July 2011, in the loving memory of our beloved daughter, sister, wife, mother, aunt and friend. Dinah Somerville was born and raised in St. Mary’s County and was an advocate connoisseur of educating the youth and celebrating black history.

The purpose of this scholarship is to assist with the tuition cost for ambitious individuals who are seeking to pursue a higher education at the college, university or trade school of his/her choice.

Through SMCBHC sponsored events and fundraisers this scholarship will continued to be funded through the help and support of the people of St. Mary’s County. For more information send us an email: SMCBHC@gmail.com or go to our website to download an application.
